PRESIDENTS REPORT - ALISON CLARK

Welcome to our end of season Winter 2021 presentation. We started off the year with some pre grading training, but Covid made its presence felt again and we went into lock down and restrictions.

The change to the new netball courts in Kinross was timely and allowed us to continue our training and grading when other clubs couldn't get onto the Arena Courts because of the Covid restrictions. The change has also saved the club court hire fees of between \$2500-\$3000 per year. The City of Joondalup fully subsidizes the court hire at Falklands Courts where before they could only give a 50% rebate for the HBF Arena Court hire. I know there have been some challenges, but the benefits have far outweighed any negatives.

This year we've had an increase of 4 teams from last year with 18 all up across the age groups. There was a flurry of late registrations over the Easter long weekend and it was a good thing I hadn't planned on going away. This year I have been ably helped by the wonderful BNC Committee. A sincere thankyou to Angela – Secretary, Barbara – Treasurer, Skye – Registrar, Andrew – Development Officer, Clair – Umpire Coordinator, Rod – Equipment and JNA committee rep for ACSRA, Tanya – Website, Maire – Event Coordinator, Anita – General, Julie – General and Karen – General. We are always on the lookout for new committee members and our AGM is held in October each year. Please consider stepping up to help us out as many of us are time poor and overwhelmed with our regular jobs and lives we need all the help we can get.

We couldn't function without the hard work and dedication of our Coaches and Managers. All of whom are volunteers and some that have stepped in for the first time and others that coach teams that don't even have their own children in them. Thanks to Hayley Sanderson, Shannon King, Sarah Phipps (snr), Kristy Barnard, Mel McLean, Tracey Holyoake, Renee Gill, Natasha Cheney, Jaye Allam, Catherine Buckley, Clint McDowell, Ingrid Bryant, Alison Clark, Andrew Bowness, Rod Deville, Kylie Kershaw and Rosy Allen.

Some of our coaches were lucky enough to have assistant coaches. Our assistant coaches are our younger players from Opens or 17U that are willingly giving their time to the club to help the next generation of netballers have fun. Thankyou to, Sarah Phipps (jnr) Tahlia Deville, Alex Phipps, Maisie Henderson, Sarah Tonkin, Vienna Formato, Chloe Smith and Sophie Kershaw. Also a special thanks to our Amy Thompson who has helped at the JNA run Net program for the 5&6 year olds.

Our Managers help keep our coaches sane and organised. Without our managers handling the game day procedures the coaches wouldn't be able to concentrate on the teams and the game ahead. Big thankyou to, Sequoia Burgess, Katrina Stirling, Amber Fildes, Helen Meldrum, Nina Sollitt, Paula Thompson, Eva Baroni, Nicola Wood, Bree Strachan, Sam Arnell, Dee Sparrow, Neridah Deering, Tanya Tuffrey, Debbie DeBeer, Bec Stickland, Anita Plant, Bec Bentley, Beth Allen and Tahlia Bryant.

This year we would like to acknowledge all the families that we have playing for BNC. Sure there are plenty of Mums and Dads coaching their daughter but there are also plenty of families with more than one child involved in the club. We have families with 3 children and parents that are also the coach, manager or on the committee. We have sets of twins that play in the same team together from our youngest in the Ellery sisters to our oldest in the Allen sisters whose older sister, Beth, helps them as team manager. In our Opens Div 3 Bandits we have two sets of sisters playing in the same team together. We all do it for the love of the game and what a great game it is. I hope you enjoy looking through all the family photos in the year book and I look forward to seeing you all again next year.

We hope you have all enjoyed the year as much as we have and on behalf of the 2021 committee, we hope to see you back in 2022.

DEVELOPMENT REPORT - ANDREW BOWNESS

The 2021 season started off very positively as once the grading process and registration had concluded Beaumaris Netball Club had grown for the 2021 season.

The growth in the junior age groups was significant as a number of our u17's will be moving up to opens in 2022. We also generated a 3rd Opens netball team and therefore were able to accommodate those returning u17's who were now moving up an age group.

Reflecting on the winter season has been a bit different this year due to my travels for the first 8 weeks of the season. The last time I saw players was at grading and then again, some of them at the defensive clinic and fitness sessions held in preparation for season. Upon my return I was very impressed with how well teams were playing and found it very satisfying to see genuine growth in individual skills, especially where I knew the players from previous years.

This brings me to the value of grading and a word of encouragement to all our u10's in 2022 and those u13's moving up to u17's. Grading is an opportunity for you to be placed in a team with players of similar ability where you can all develop together. Its an opportunity to connect with other players and learn from them. You won't lose your current friends and will make new ones.

Part of the reason for this growth in the club is down to the collaboration opportunities provided by our new training times and format, which was developed out of a coaches review in 2020, which we will do again for the 2022 season. Another big part of the growth is self-improvement coaches have undertaken as well as experienced coaches and opens players making themselves available to our junior age groups. Our committee is very grateful for your involvement and time you are prepared to give to developing netballers.

Looking ahead to 2022, I would love to chat to all the parents about their experiences and how we can all contribute to the further development of our players. Feel free to e-mail me.

Sincerely ,

Andrew Bowness – Development Coordinator (BNCnetballdevp@gmail.com)

A Big thank you to all the umpires for their time and dedication this season. It was a fantastic winter season, if a little wetter than usual with some great games. We had a few stop starts due to COVID 19 restrictions but each time the team of professionals took it in their stride and got the job done without complaining.

Each game come rain or shine our team in white arrived with their smiles and polished whistles to start the games and did not disappoint.

This year each of the umpires were supported and coached throughout the season by our BNC mentor Alex Phipps, Sarah Tonkin, Ava Madden & Hannah Ricketts thank you. your feedback has helped each of the umpires grow and learn each game.

2021 Season saw five new umpires join the team, who all embraced the challenge. It has been wonderful to see their confidence and ability as an umpire grow game after game.

Our umpires are very well respected on and off the courts by Joondalup Netball Association club members and other club officials. Keep up the great work. I am often stopped and told what a great job our umpires have done, I feel privileged to work with such young sports professionals.

Umpire achievements-

C Badge -	Caitlyn Davison.
Green shirt program 2020 -	Nicola Bowness. Imogen Plant. Ava Strachan.

Finally thank you to the players, coaches and supporters who showed the umpires the respect and courtesy they deserve, because after all without them we wouldn't have a game.

If you would like to get involved in Umpiring in 2022 please email BNC with their name, DOB and contact telephone number. All umpires must be over the age of 13 years old to be considered.

GREAT WORK LADIES AND THANKS AGAIN!

UMPIRE AWARD - IMOGEN PLANT

This year's Umpire of Year award is awarded to **Imogen Pant**.

Imogen is a quiet achiever with a passion for game of netball.

Imogen joined the BNC Umpire team as Green shirt in the Spring 2020 season. Imogen is a team player who is always happy to help and take on additional games often at last minute.

Imogen is more than happy to umpire any game any time from 9am to 2.30pm every Saturday, her dedication to umpiring is to be admired.

I received several compliments throughout the season from Coaches, managers, parents, and fellow umpires who have called out Imogen's strong game management and professionalism.

JNA representative said "You now the game is in a safe pair of hands when Imogen is umpiring"

Imogen without a shadow of doubt is so the perfect recipient of this year's Umpire of year award and It has a pleasure to watch her grow over the past 12 months.

SPIRIT OF NETBALL - ISABELLA PETIT

The Beaumaris 2021 Spirit of Netball winner is Isabella Petit. Isabella or Belle as her team mates call her, is a shining example of the Spirit of Netball. Her past 2 coaches have the following to say about Belle.

"Throughout this season Belle has demonstrated a high level of commitment to the Beaumaris Gems team. She always listens to her coach's instructions and seeks clarification on set plays and strategies with enthusiasm. Her quiet yet hard working attitude ensures she never misses a beat at training or during games. She is willing to play in the positions given to her without question and adapts accordingly. During games, she takes on the role of active learner and never has negative input about the game or the players. Within our team, she works with all players equally and brings 100 percent to what she does. She has a true love of the game and is a highly respectful player which makes her a valued member of the team and more importantly reflects the spirit of netball." Jaye Allam (2021 Coach)

"Congratulations to Belle for this award. While she has always been a very quiet achiever she is always there for her team, happy to step up and do what ever she can to get them over the line. Belle is a very committed player, never misses training and is always trying to better her skills and over the years has developed into a very reliable mid court player. She attentively listens to her coaches and participates well. Well done on this award, a very deserving winner....." Fiona Candy (past coach)

Isabella has been with the Beaumaris Netball Club for many years and has achieved her 100 game milestone this year. We are very proud to have Isabella at our Club and this award acknowledges her determination, dedication and love of the game of Netball. We hope you have many more games to come Belle and good luck in the future.

CLUB CHAMPION - LAUREN KERSHAW

Lauren started playing netball at 9yrs old in year 3 Primary School and has played every year since. Lauren came to Beaumaris in 2016 and has been playing for Beaumaris since then.

She has umpired, played and Coached for Beaumaris in recent years and has helped run specialist defence clinics for our juniors. Lauren now works in Northam so she travels to Joondalup every week to compete in netball competitions.

For the past 9 years Lauren has represented JNA at regional level and at Metro Level for 3 years. Lauren is in the 2021 JNA Metro Opens team currently competing at the State Netball Centre on Thursday nights.

She played for State League WANL for Wheatbelt Flames in 2018.

She also plays in the Indoor Super League Competition.

Lauren has been assistant coaching one of our U17 teams along with her mum Kylie and her knowledge of defence has helped many of our younger players to improve.

Lauren will play netball whenever and wherever she can but the amount of time and effort she has given back to Beaumaris and her eagerness to contribute to our younger athletes makes her a great recipient of our Club Champion award.

The Beaumaris Netball Club is grateful for all her valuable time and we couldn't be prouder to call her a Beaumaris member. Lauren, you are an asset to the club and we are all very pleased to announce you as our Club Champion for 2021.

JUNIOR ENCOURAGEMENT SHIELD - CAITLYN DAVISON

The 2021 Junior Encouragement Award recipient is Caitlyn Davison. Caitlyn currently plays in a Beaumaris Opens Div 3 team and at WDNA for Olympic Titans in an 18U division whilst only being 16 years old. She has reached over 150 games with Beaumaris Netball Club.

Caitlyn has played for JNA Association teams for the past 3 years and Metro League JNA teams in 2019 (14U) and now 2021 (16U). Her playing history began in 2014 as an 9U player in team Dolphins and won the Coaches award for that year. In 2016 she was F&B for U11 Rockets in Div 2. In 2018/2019 Summer season at Bouncers she won the Player of the division award. 2019 she was the Beaumaris Spirit of Netball award winner. 2019 also saw her get the F&B for U17 Div 2 Heat team. She was MVP in 2020 for her Olympic Titans team at WDNA.

Caitlyn has also recently commenced her umpiring accreditation receiving her C badge in 2021. The Umpire graders were surprised that it was only her C badge she was going for and remarked that her skills were up there with a B badge Umpire.

Caitlyn has been selected for the past 3 years to be in the Fusion Academy squad playing up an age level each year. Caitlyn is a wonderful asset to BNC. Her perserverance to trial every year in association and academy competitions has seen her as a great representative of Beaumaris and an example of what hard work can achieve.

She consistently participates in all training and competitions in a quiet yet focused manner. She is respectful of officials, team mates and coaches at all times. She enjoys helping our younger players at training when possible. Caitlyn displays a willingness to learn and improve her skills at every opportunity and gives 110%.

We hope this award gives her the courage to continue on her netball journey and achieve her goals of being in a WANL team one day. Congratulations Caitlyn on an excellent season and good luck with your future in Netball.

CLUB PERSON 2021 - SARAH TONKIN

Sarah has been with Beaumaris since U11's in 2015. She has played over 150 games for the Club. It is not Sarah's playing history that makes her an excellent recipient but her off the court attitude that sees Sarah as our 2021 Club Person.

Sarah has been the assistant coach of a younger team since 2018. Sarah has no siblings that play in this team and she willingly assists the coach, Renee Gill, to pass on her netball skills and knowledge.

Renee has said of Sarah:

"Sarah has always stayed at BNC, even when she was younger. I know many girls change clubs so they can be in the same team as their friends, but Sarah has always stayed BNC loyal.

Sarah has been my assistant coach since our team was U8's in 2018. Four years later, and she is the one that has kept me going. She has the patience and understanding of the game that makes it easier for me and the girls on our team. I know the girls all look up to her. She is such a role model for them in her school life, netball and umpiring. Sarah has encouraged all of our girls to tryout for the Future Jets JNA program in the past, and has always talked about umpiring for the club in the future and has made it seem a positive experience. Her leadership has shown our young players how umpires are to be respected.

This year we have had the 2 BNC U11 teams. Sarah takes the warm up with the 2 teams and never has to be asked to do anything. She is always making sure the girls are kept moving and motivated at training. I see Sarah treat all of the girls equally, no matter what team they are from or what their skill level is. Coaching the girls never seems like a task for Sarah and she is always enthusiastic to coach no matter what the weather or what has happened to her during the day while at school or TAFE. I also see the way Sarah mentors our future umpires. So many people from JNA and other clubs are constantly talking to her while we are at games asking her questions.

I have always been grateful to have Sarah along side me coaching. She is definitely a young leader within our club and is an asset to all of those that are involved with her whether it's playing, coaching or umpiring."

Sarah has been overheard telling anyone that would listen about Beaumaris Netball Club and encouraging them to join. We are so proud of the wonderful young lady she has become and thankful for all that she does for the club.

Congratulations Sarah, 2021 Club Person of the year.

Special Thanks to ALL our Umpires!

U7 BUMBLEBEES

COACH: Hayley Sanderson
ASSISTANT Sarah Phipps jnr
MANAGER: Sequoia Burgess

Alexa:

Throughout the season Alexa would adapt to every position and she had a want to be on court. She was particularly strong in the midcourt and it was amazing to watch her improve this year.

Amelia:

Amelia has a very happy and outgoing personality. She was always happy to find out when she was either centre or shooting. She would move the ball nicely down the court and made some very exciting shots at goal during this season.

Ashley:

Ashley has developed very well across the court this season. Her eye for the ball and reading the play has been amazing to watch. She creates many turnovers across the court in all games and moves the ball nicely down the court too.

Emily:

Emily is an energetic person who loves to run around. She enjoyed joking around at training some days but would listen when needed. During games she enjoyed midcourt in particular and would listen to my advice when she was on court.

Francesca:

During the winter season, Francesca would pay close attention to every training session. This helped her improve across the court, from defending her opponent to moving the ball down the court. She is also a kind person who would try help and involve everyone.

Grace:

From the very first week Grace had a want to learn. She has a very strong arm for her passing, giving her the option to throw a longer ball down the court. Every week she would listen to advice and try practice it in her game play.

Imeldiah:

Imeldiah has a very strong competitive side to her. Every game she wants to out play her opponent and win. When she uses her competitive side it can lead to her playing a very strong game of netball.

Tayla:

This season Tayla always wanted to be on the court. She listened to advice and tried to use it in her game play. Tayla improved very well in her leading and moving the ball down the court. Despite being able to attack well, she was also good at covering her player.

Yvette:

Despite being one of our smallest players, Yvette always attempts to jump and intercept from any player, including the ones that tower over her. Her weekly defensive game is always outstanding and a joy to watch.

U8 DOLPHINS

COACH: Sarah Phipps snr

ASSISTANT: Alex Phipps

MANAGER: Amber Fildes

What another amazing season with these girls!!! This year team Dolphins welcomed back Rylee Overstone, Sophie Bennet, Ivy Fildes, Grace Phipps, Tahlia Alexander, Ruby Lee and Ruby Patten! We also welcomed two new netballers to the team Makayla Oosthuizen and Maddie D'Anna!

This season as coaches we really wanted to continue building on our foundation skills however, we quickly noticed the girls needed a bit more of a challenge! The team really stepped up at each practice. Other developments we concentrated on were improving the flow of movement down the court, leading into space, working the circle and how to utilise the Centre and Wing Attack around the circle edge. We quickly saw these tips being used during our Saturday games! We also wanted to continue building up confidence in our players for defending and getting in front of the opposing players.

We saw such a huge improvement in all our players this year! Our girls have learnt to be versatile players and are able to move and adapt to the play in all areas of the court. Their team bond is amazing on and off court! This bond plays a vital role each game and has often been noticed by other parents.

Team Dolphins is a team we are extremely proud to be a part of. Our players, parents and grandparents have all been a great part in making these players love and enjoy each game and practise! Finally, a huge thank you to Amber Fildes for once again stepping up to be our team Manager! And Keeping us organized!

Rylee: Rylee has once again proven to be the Pocket Rocket of the team! She will defend against the toughest of players, chase every ball and go for intercepts during play. Rylee is a player that can be put anywhere on the court and she gives it her all every time! An amazing asset to our team! Great season Rylee!

Ruby Lee: Ruby is a born defender and an all-rounder! She gives it her all every game. Ruby also shows great sportsmanship in taking the time to help newer teams and players on court. She also reads the game well and is an amazing player! Great work Ruby!

Sophie: Don't let her size fool you! Sophie is tough and fierce! She goes up against any opponent, chases down the balls and takes a few knocks during the game and at training! Sophie is so fun to watch play. She has developed her passing technique and getting in front of players. Another great season for Sophie!

Ivy: Ivy has worked super hard to improve her skills this year and it has paid off! Ivy doesn't give up and goes for every ball! She always makes us laugh with her infectious humour! Amazing work this season Ivy!

Ruby Patten: Don't under estimate Ruby! Ruby has become more confident on court and has worked hard on her defending skills! She goes for intercepts and chases the ball which quickly turns around play! Ruby is a versatile player with her strong passes and getting into space! Great work Ruby!

Grace Phipps: Grace had an amazing season! She gives it her all every game! Grace is a natural defender and loves to get those intercepts! Her ability to read the game and plays makes her a player to watch! Grace has worked hard this year. An amazing asset to the team! Awesome work Grace!

Makayla: Though new to the game you would not know this by watching her on court! She worked hard on building up her foundation skills and excelled in the goal circle. She rarely missed a shot! And her love for the game really paid off in all areas of the court. A great first season Makayla! Watch out Caitlin Bassett!

Maddie: Maddie has had a great start to the season! She's new to netball but has worked hard to build and improve her skills at training and during games! Great work Maddie!!

Tahlia: Another great season for Tahlia! Though she's quiet, that doesn't stop her for always being where she's needed. Tahlia always finds her way into space to help her teammates on court! Awesome work this season Tahlia!

U8 MERMAIDS

COACH: Shannon King

ASSISTANT: Katrina Stirling

MANAGER: Tahlia Deville

Team Mermaids, what can I say they are such a lovely bunch of under 8 players.

With no one in the team having played before and with only a few of them knowing each other, they have developed and learnt so much, made new friendships and come such a long way.

From game one not knowing what positions went where, being scared of the ball and the confusion of changing directions every quarter, they now know each other, they land and pivot and what positions go where. All while giving the other teams a run for their money, having fun and..... keeping count of the score.

This all wouldn't have run so smoothly without the help of the parents, doing their part and supporting and cheering the girls on and definitely would not have been made possible without our manager Katrina Stirling and her organisation skills. She has kept everyone in the loop from week to week and has done a fabulous job.

A massive Thank you to our assistant Coach Tahlia Deville. It has been a pleasure to team up with you and learn from you along the way, you have brought so much to the team I hope you have enjoyed it as much as we have enjoyed having you.

I was a very dubious mumma to take on the coaching role, but I'm glad I did as it has been fun watching the girls grow, learn and enjoy playing each week.

I hope the girls continue the netball journey and enjoy themselves along the way.

One Very Proud coaching mumma.

Ruby:

What a tough little lady and one who loves getting right in on the action. Ruby you are fast and have great control of the ball and a real natural ability. I look forward to watching you grow as a player.

Nicola:

So little and quite but boy can you shadow and defend, you are so good at giving every position a go and do it really well. I hope to see you playing again good work

Kireth

What a great sport you are, your height is a asset with your shooting but also great for defending and knocking the ball out, you have been amazing. Great season

Eva G:

You are doing so well spreading out down court and making room for your team mates to pass, especially working so well with your team mate when in the goal circle, your defence skills are coming along and its so great to watch well done

Eva S

Its' been lovely to watch you grow and learn each week you are doing so well in the attacking positions, coming straight out at c pass is a real strength, Great work.

Nia what a little pocket rocket you are and such an all rounder, you do everything that is asked and are amazing at sticking and running away from your opponent, well done

Nikita:

Our cartwheel girl, it has been great to watch you grow and learn, your defence skills are going amazingly and you are doing great at getting in there and chasing the ball down, great work

Poppy:

You have come such a long from being scared of the ball, to now catching on the run. You are showing great skills in attacking and getting in there with your team mates. I look forward to watching your confidence grow

Isabella:

What a lovely season you have had. You started off a little quite but now you are a great all rounder and take everything on board and put it into action, it has been lovely watching you in the goal circle. Well done you

U10 TIGERS

COACH: Tracey Holyoake

MANAGER: Paula Thompson

We are yellow, we are black. We are tigers, we attack! Gooooooo Tigers! Yah!"

The U10 Tigers team is made up of 9 school friends which, 18 months ago, only one member of this team had ever played Netball before! With lots of hard work, dedication, passion and most importantly FUN, they have become an awesome little team! They train hard and have a great can-do attitude to both training and the game. Their future is exciting!

Becca Barnard.

U17 OPALS

COACH: Clint McDowell

MANAGER: Dee Sparrow

Wow, that's what I call a season! the girls have done nothing but continue to grow as a team, always willing to succeed and grab every opportunity to improve and achieve that next level of skill!

We've dealt with tiredness, game loss, injuries, bad weather, lots of bad weather!!!, We have all been there, supporting each other regardless and it's just been over whelming with what we have achieved this year and I'm so proud of the girls and how strong and more confident they have all become, well done.

I just want to say thank you parents for sticking by me as a coach, as you know it's not an easy job. You have not just supported the girls, but you have supported me, listened to my reasoning and assisted when needed.

The biggest thank you is to you Dee, you go above and beyond being my assistant manager and I'm sure I've been challenging and cheeky at times. I'm pretty sure Tami can vouch for that, who I would also like to thank for supporting Dee and myself... here's to the netball family.

Darcy: Fairest and Best

You always work hard, regardless to your ankle injuries or being ill: you never want to miss a game. You're always there supporting your team, screaming on the sideline and your morals are that you will not be defeated, especially with that game face on, even when you give the umpire a dirty look! (Which I do not endorse and the umpire is always right)

Emilynne:

Confidence has come on so much, you making shooting look so delicate and easy especially when you are having fun. You never give up regardless, always there supporting even if you're not playing. That never give up attitude even when struggling she pushes through and give it everything! Well done!

Reagan:

Training always looks like a chore but once your on the court, you bring your 'A' game for your team, you never disappoint and always supporting. Watching your skills and movement grow from the start of season to now has been fantastic!

Tyla-Lee:

Just keep being you, bringing your enthusiasm and cheerfulness to the team each week. Regardless of injury, on the court you're a fighter and continue to push on, never giving up. Your court movement and game play have developed so much you should be proud! But please stop testing gravity and falling over!

Sam:

Absolute Engine, does not stop running or give up at any stage, ever present and never shy of asking questions! Always trying to excel and thinking ahead! Even shooting goals from outside the circle just to show off! Keep it up Sam

Celeste:

I honestly don't know how she does it? One minute nowhere to be seen! the next minute she has intercepted the ball, been a fantastic captain even though she can't win the toss. As with all the team Celeste has been nothing but an amazing!

Keeley

You have really grown this season! Its great to see your improvement throughout, your confidence has grown game by game! You have really started to take control of the circle and when you're confident you are a force to be reckoned with! You should be very proud!!!!

The pocket rocket, you really do not stop, even when I know you are tired, you are relentless! Your attacking game is very skilled and only ever going to get better! You have been an amazing player all year and its been a pleasure to help you grow as a player and build your confidence.

U17 PYTHONS

COACH: Ingrid Bryant

MANAGER: Neridah Deering

Pythons are a team made up of girls who have never played netball before, girls new to the Monday night competition and girls that have played Monday nights. Their focus was to improve their skills and boy did they do just that! Pythons have had a great developmental season, shining against all other teams in their division. At the time of writing this, we are currently sitting top of the ladder and looking strong to be finals contenders. Well done girls, I am so proud of you and have thoroughly enjoyed being your coach this year.

All of this couldn't have happened without the support from our enthusiastic cheer squad of parents, grandparents and boyfriends who came and watched them play each week. Thank you all! Special thanks must go to the best manager ever, Neridah Deering. She always had a bench, blankets, even hand warmers ready for the girls. We also must thank our awesome assistant coach, Maisie Henderson, who warmed the team up on game day and shared her netball knowledge at trainings. Thank you ladies!

The saying 'it takes a community to raise a child' could not be truer.

GO PYTHONS!

Kate Collins - Our formidable center court player, who was a good sport and also played GD/GK when needed. Kate had a fabulous pass and used her height to her advantage, quickly switching from mid court attacker to defender when needed.

Gemma Deering - Gemma started the season as our shortest circle defender and transitioned to playing WD and C. The tips and intercepts she got raised our team's spirit in games and she was always there to scoop up loose balls. It has been great seeing her attacking skills develop this season.

Ava George - Our little mid court player who rocked the WA bib. Ava was the link that bought the defense and attacking team together, bringing the ball to our goals. Ava worked hard to strengthen her passes and improve her footwork this season.

Caitlin Hosking - Caitlin was our speediest GS. She had the best base line drives and always popped up out of nowhere to sink her goals in, doing so with the biggest smile on her face (even when she copped a ball to her nose).

Tahlee Jones - Tahlee was our feistiest mid court player. She played WA/C/WD positions confidently and displayed great netball smarts on court. Great drives, great passes and great intercepts made her quite an asset.

Jasmine Lee - Our shortest shooter, Jasmine happily played C/WA/WD too. Don't let her quiet demeanor fool you. Jasmine played an awesome defensive/attack game and we loved watching her confidence grow.

Hayley Smith - This was Hayley's first year of netball and you would never know it. She owned the GK bib and was a true warrior on court, getting tips and intercepts over and over again, even breaking her finger in the process!

Megan Van Reenan - Vice Captain

Megan is our most versatile player who put new skills and set plays into action. A passionate player, she was awesome in GS/GA/GD/GK and C. You could always hear Megan's voice cheering and encouraging everyone, on and off the court.

Sophie Hancock - Sophie is also new to netball but worked hard to quickly get the basics right. Quiet, determined and fast, it was a pleasure watching her skills develop and how much of an impact she had on the game. Congratulations Sophie, you are a very worthy recipient of the **Coaches Award**.

Taylor Meikle - Captain

Taylor is a new addition to our club but certainly not to the game. Our fearless captain is a natural athlete whose determination and drive contributed to our team's success. Congratulations Taylor, you really lead us on and off the court and definitely deserve our **Fairest and Best**.

U17 TAIPANS

COACH: Alison Clark

ASSISTANT: Andrew Bowness

MANAGER: Debbie DeBeer

I inherited this lovely group of girls due to the intended coach going away on long service leave. How fortunate I was to be given this opportunity to work with these amazing people. They started out meek and mild. Were very attentive to what I was teaching them and never talked back. That quickly changed as they created such a strong team bond and just enjoyed coming to training and games with big smiles and so much enthusiasm. Thankyou for allowing me to coach you.

Alice Abrehart: Fairest and Best.

I'm so pleased that Alice decided to come and join us outdoors for winter. I have coached Alice indoors at Bouncers for a couple of years now and her game has improved out of sight. Her off ball work is consistent and her body positioning around her player has resulted in a number of turnovers. Alice has been key in our defence line up.

Caitlyn Black:

I've known Cat since year 3 in primary school when she joined a team with my daughter. Cat can be shy and reserved at times but she is a stronger player than she realises. Her confidence in her own abilities is growing and I encourage her to keep it up. You're doing a great job Cat.

Nicola Bowness:

Nikki was away for the first half of the season having the trip of a lifetime. She provides an athleticism in the mid court that compliments our strong shooters and defence to make great connections through the court. Nikki makes it hard for her opponents to keep up with her.

Ashlee DeBeer:

Ash is another energiser bunny who gives multiple passing options to the rest of the team. For someone who hasn't played much netball she is coming along very well. Keep working on delivering a balanced and controlled pass and you will do very well.

Ruby Dillon:

Ruby is a great ball getter and a very smart netball player. Her movement around the shooting circle is amazing to watch. Once Ruby has her "eye in" on the goals she rarely misses. Ruby has been an asset to the team with her shooting percentage.

Aleisha Elliman: Captain:

Aleisha was nominated our captain this year and she has been enthusiastic and positive every game supporting her team mates. Aleshia has great feed passes into the shooting circle and moves around the court well opening up space for leads.

Olivia Proctor:

Olivia is a superstar shooter who can hold her own in any team and division. She was asked to fill in a few times for our Opens teams and she rocked it. With a strong body hold and shooting accuracy to boot she is a formidable player. I look forward to seeing her improve especially once all her surgeries are behind her.

Ceinwen Tuffrey:

Our poor Ceinwen. Played a few games and was building to be a strong WD when she broke her finger but also tore the tendon off the bone. She certainly doesn't do things by halves on and off the court. I hope you come back ready to rock next season.

Cassidy von Horsten: Vice Captain:

Cassidy is a natural at defence. I'm so glad she went with my decision to play her in GD/GK as she really owned it and has improved every game. Cassidy is new to netball and her growth as a player and her support of her team mates is excellent. I love coming to games and training to see her smiling face.

Jade White: Coaches award:

Jade is our youngest player and playing up from 13U. You wouldn't know it as she is such a strong player and a determined defender. Jade has won the team so many turn overs with her ability to read the play and be in the right place to receive intercepts. Her dedication to the team has seen her win the coaches award as she would attend games even when injured. Well done Jade.

U17 COBRAS

COACH: Rod Deville

MANAGER: Bec Stickland

All the girls in the team really stepped it up this year. We had several from the previous year with a few new additions. Preseason was the usual hard work with beach sessions and some intense strength and conditioning. Ocean Reef Marina is still one of the best locations for building up the leg muscles and fitness. I hope to see you all there again next year!!!

Kev (Tahlia) - Captain as voted by the team. Leading by example and one of the most knowledgeable Netballers I've had the pleasure to coach. Kev has inspired her team at training and in game every step of the way. Willing to play where needed and never backing down even when faced with quality opponents, Kev has always ended a quarter with the firm knowledge of having pushed herself and her opponent to their limits.

Ray-Ray (Rhavyn) - Vice-Captain as voted by the team. When you need a player to stand up and deliver Ray-Ray is your player. Versatile and the "FUN" of the team, she is always smiling and never gets upset. A great defensive player with the ability to switch to attack often leaves her opponent standing still. A natural leader that inspires her team mates to give their all.

T-Rex (Kelly) - Natural speed and agility has seen T-Rex cement her spot as GS. Carrying over from Spring season she has developed the knowledge needed to improve even further in years to come. This being T-Rex's first time in 17U Winter comp has exposed her to a higher quality of defender which she has begun to find ways around and sometimes through.

Senzo (Sienna) - A late addition to the team and one we are all grateful for. Senzo has owned WD, and everyone who's ever played against her. Crazy speed and never letting her opponent get an inch away from her has kept them out of the play. But wait! There's more! Once she gets the intercept it's ATTACK! ATTACK! ATTACK! The first line of defence and in most games the first line of attack as well.

Sticko (Abby) - Sticko's confidence in herself and playing ability has skyrocketed this season. From developing her skills to move from a dedicated GS into a solid GA and inspire her team on game nights, Sticko is realising she can push herself further. In the second half of the season, she has been striving to better herself and how she plays in different team environments. I hope to see you again in Spring and next season. (In my team)

Toomsey (Abby) - Partners in crime with Ray-Ray on the "FUN" scale. Toomsey is versatile and a clinch shooter when needed. Her ability to occupy the space around the circle when playing as C and to then move into space and defend the circle as GA, makes my job as coach easier. Her antics on court keep the team and the sideline smiling more often than not.

Fish (Tia) - Coaches Award: When Fish first joined the team, she nominated all positions on court. Working together we have solidified her position in C with a spattering of GA. Fish's stamina and ability to apply trained movements during the game is exceptional. She intercepts the ball or forces turnovers on demand. In one game I asked her to do it 3 times in a row. Fish did it 5 times and not once did she gloat. In fact she was upset when she didn't get it the 6th time.

Mushroom (Sarah) - Moving up a division into a team she knew nothing about a couple of weeks before the season starts is a big move. One that hasn't phased Mushroom at all. Height, strength and stamina with a desire to do better and better every game is why Mushroom is a "GUN" defender. Not settling for just being a GK, Mushroom demanded to play as GD so she could help her team against a pushy GA in a tough game, taking on the responsibility for the whole team. You are why I love coaching.

Jonesy (Emily) - Fairest and Best: I swear I could hear the sideline chanting "Jonesy, Jonesy, Jonesy!" on more than one occasion. Including myself. Always, and I mean ALWAYS! attacking the ball, denying her opponent, cutting back, moving into space, encouraging teammates, calling for the ball and giving everything she has. An absolute pleasure to coach and from what I can see, an even better teammate.

A huge thank you to my Manager Bec, without whom the team wouldn't function. A special note to Senzo and family who travel from Lancelin each week to play and train.

Lastly, to my Team. I know I'm not the easiest of people to get along with and I'm definitely not the most knowledgeable coach out there. You have, and I mean all of you, listened to what I've had to say and offered feedback either immediately or when you needed to. This has been invaluable to me as a coach. You all know my goals for you are to grade better than this year and remain in Netball for many years to come. I know all of you will understand when I say.

YOU ARE A TEAM! YOU'RE MY TEAM!

U17 VIPERS

COACH: Kylie Kershaw

COACH: Sophie Kershaw

MANAGER: Anita Plant

It has been our pleasure to coach the girls in Vipers this year. These girls are a talented group of players who have become stronger through the season as they have gelled as a team. They are supportive of each other and give 100% effort in every game which has resulted in them sitting 2nd on the ladder and heading into finals. I also hope to see them continue down their individual netball paths as they are skilled players who I believe are an asset to the club.

I would like to thank my co-coach Sophie who is a fantastic coach who uses her skills and experience to develop these players. Sophie has stepped up to do a large portion of the training and coaching, particularly as I broke my wrist in the first round and was unable to even pass a ball.

I would also like to thank our manager Anita who is a helpful organised lady. Thank you so much for your support throughout the season. Thank you to our parents for supporting us and your girls.

Amy B – Captain

Amy is an intelligent, strong defensive player. She controls the circle and monitors what is happening down the court, constantly preparing to defend the ball. Amy continuously encourages her teammates and was a strong leader as our Captain this season.

Amy T

Amy is a fast, energetic, centre court player, who never stops running. She contests every ball which often causes error and results in much needed turnovers for our team. Amy gives 110% every game and is always there if you need her, an option everywhere on court and an asset to the team.

Ava – Fairest and Best

Ava is an accurate moving shooter. She moves beautifully under the circle and stands up to even the most physical players. Ava holds up extremely well under pressure and is a pivotal player who keeps the circle calm, cool, and collected.

Hannah

Hannah is an extremely flexible player, able to play both defence and attack, who has stepped up this season to be a critical defensive player. Hannah is a calm individual who fires up just at the right times, encouraging the whole team to do the same.

Imogen

Imogen is an excellent holding or moving shooter. As one of our youngest players, it has been a pleasure seeing her development this season. She dominates the circle, finding space wherever and whenever it is needed. We are excited to watch Imogen further develop over the coming years.

Katie D

Katie is a dominant defensive player. Katie flies through the air to complete incredible intercepts and place pressure on the opposing players in the centre court. She is a consistent, reliable player who is has a fantastic attitude and is a team player. Katie is a perfect example of how vital the WD position is.

Katie T

Katie is a strong and fast defence. Katie has improved incredibly over the season to become a strong interceptor with an excellent reach over the ball. Katie is capable of both zoning and playing body-on-body defence, depending what we need as a team, this makes Katie an asset in defence.

Sam – Vice Captain/Coaches Award

Sam is a versatile player who can play all positions on the court. Sam is a pleasure to coach, listening to what is required of her and performing it at a high standard. Her great attitude made her involvement both on and off court uplifting for us and the team, hence her position as Vice Captain.

Zoe

Zoe is an accurate and skilful attacking player. Zoe has a beautiful feed into the circle and is also a strong rebounder when in the circle. Zoe moves quickly down the court using both her height and skill to dominate over her opposing player and provides clear and direct passes, she is a pleasure to coach.

OPEN BANDITS

COACH: Alison Clark

MANAGER: Bec Bentley

What a pleasure it is to coach these lovely ladies. For some it is my 3rd year coaching them and I am honoured that they keep putting their faith in me to coach them again. For some it was our first year together and the bond created between them all is fantastic. There was a maturity and respect for each other and support of everyone's needs. We've been on top of the ladder since the 2nd week and the team keeps building on their connections and teamwork.

I'm only sorry that you've had to share me with the Taipan's team, but we've all learnt a lot along the way and been able to improve your own game. It has been fun to watch the 2 sets of sisters playing together. You never knew if they would turn up to the game loving each other or ready to tear each others hair out!

Abbie Bentley – Fairest and Best

What an amazing defender. Abbie has proved she is invaluable in our defence creating many turnovers and generally getting under the skin of her opponents. Fiercely protective of her younger sister and hugely supportive of the whole team she is keen to learn and improve her game. I've loved coaching you this season Abbie.

Ella Bentley

Ella is such a sweetheart and has a great shooting style to go with it. She has worked so well with Sarah in the shooters circle and her long arms and legs pulls in many passes that her opposition can't come close to reaching. You amaze me every game and just keep getting better and better.

Caitlyn Davison

I'm biased as Caity is my daughter, but she is truly better than she believes she is. Caity has really enjoyed being in this team more than any other she has been in and attributes this to the whole team ethos and the amazing support everyone gives each other. There are no egos and they all have fun together. Keep growing as a player and a person and you will realise your dreams.

Rachel Little

A stalwart in defence who is a smart player and really improving on her repositioning skills. Rachel and Abbie have been working in really well in defence and that connection and understanding of each other's game is growing each week. Rachel is quietly determined and an asset to the team.

Ciera Madden – Players Player

Our most experienced player, Ciera has been playing for many years and that is reflected in her game. Ciera is our grounded and responsible player bringing that level headed maturity to the team. Ciera has the signature Madden move of catching the ball one handed. A trait she has passed down to younger sister Ava.

Ava Madden

Ava has a beautiful soul, I may have told her that before, but she truly does. Always supportive of her team mates and concerned for their welfare sometimes above her own needs. She is a joy to watch playing netball and will be happy playing in any position on court. With the support of the rest of the team and big sister Ciera, Ava has had a cracking Winter season.

Chloe Smith

This is the first year I have coached Chloe. Chloe is a very quiet but keen player and takes all comments on board and tries to apply them to her game. She is growing each week and getting used to her team mates playing styles. Out of all the players on the team Chloe has had the greatest improvement in her game. Her speed to intercept is getting better and ball control is a lot better. Keep it up Chloe.

Sarah Tonkin

Wow! Sarah has had a great season. Her shooting percentage is red hot and her defensive game has improved with a reduction in obstruction calls. Sarah has been working in the shooting circle with Ella and their connection has really helped us to win this season. Sarah is such a smart shooter and able to move around the circle to gain the ball. Sarah always comes to training and games with a smile on her face and is rarely down which lifts the spirits of everyone around her.

OPENS INGRIDS

COACH: Rosy Allen

MANAGER: Beth Allen

2021 saw the 'Beaumaris Ingrid's' form, to pay respect to their former coach, Mrs Ingrid Bryant. The girls had been a team for decades and wanted to carry on the tradition, along with a few new faces. The season was fun as always and positive vibes were always a must!

They also wanted to say thankyou to their favourite manager/ position writer, Beth...she is great! The girls were grateful for Betty's spreadsheet of availability...or lack of, whether it be uni work, work, stock take, rain, hail, falling trees, holidays or a big sunday...we always managed to squeeze together a team of 7 struggling girls.

Follow the mantra ~Live ~ Laugh ~ Love. Thanks for a lovely season girls, big love to you all and we hope to see you next season to continue the legacy.

Maisy: The Maz, or as some say, the best player on the team, couldn't have done the season without her. Always impressing us with those intercepts, it's like you never stop running! Despite your short legs, you've the speed of Usain and the agility of Biles and baby, you're about to get that gold! Keep on keeping on maz, the court isn't the same without a bit of Maz WD sparkle!

Rosy - Players Player: Big roro, the big boss. Due to a heart-breaking injury Roro's season was cut short, so we thought. Being a champion, she decided to go against doctor's orders and live her netball dreams! No matter what was thrown at her, Rosy continued to play with those little black shoes, a dream and the biggest heart. Always and forever a legend in the team. PS. Hopefully that foot gets better

Darcie: What a woman. Oath she's a living legend of the Ingrid's', no matter how many adult beverages were consumed on the 'weekend', Darcie would most likely be at the game. Always managing to pull out wicked intercepts and never turns down a cheeky run in centre. Yes, you may have forgotten to bring someone to time more than once, but that doesn't define you. It's always a pleasure having you around and your infectious positive vibes.

Vienna - Fairest and Best: Vivi was our newest addition to the team and GOD we loved having this KING on our team. We didn't know what to expect, but wow did she blow our socks off! Arms for days and the absolute definition of positive vibes. Vivi always brings her A game no matter what and our sweet little Rapunzel makes us all smile. Was an absolute pleasure Vivi, see you next season king.

Maisie: Our lil Miss Maisie. Mais was a new addition to the big girl team and fit in seamlessly. A very passionate player who devotes a lot of emotion into the game. Mais looks like she could run for days and arms that come out of nowhere, which we loved having in our midcourt! Thankyou for joining us this season.

Sophie: Miss Sophie, our inspirational woman of the team. No matter what the game, Soph would always be in it to win it with her amazing vibes and encouragement, constantly hyping us up. Miss thing shined this season in the defence circle and was absolutely amazing! It's great seeing your game improve Soph, keep it up!

Sarah: Sarah always gave 110% each game, going for every ball in sight. Sarah's a dedicated member of our team since day one and can always count on her for a solid effort on court, some specky intercepts and always knowing what court we are on. Thanks for a great season, our favourite baker.

Isabel: Isabel Ricketts, a part of the iconic Rickett legacy. You say jump, Izzy says HOW HIGH!? Izzy would rock up to every game with a massive smile on her face grasping onto a water bottle. Never failing to impress us with her crazy intercepts out of nowhere and speedy, speedy legs. Even though you called the bottom of your spine your clavicle, we forgive you. An iconic woman living an iconic life .

Ebony: Ebs/muay thai/best and less stocktake employee/netball queen. Ebs had a cracker of a season in the shooter circle, and an even more of a cracker in wing attack *wink*. A beautiful woman who radiates beautiful vibes, definition of king. We loved having you this season Ebs and your iconic Ebony dodges. Keep your head up Ebs, we love you! Can't wait to see you doing muay thai at the Olympics one day.

OPENS ASSASSINS

COACH: Ingrid Bryant

MANAGER: Tahlia Bryant

Tahlia Bryant - Players Player: Tahlia took on the managers role this year as well as playing and we appreciated her keeping us organised each week. She is our zippy goal attack who is strong off the centre pass and feeds into the circle to her other shooters well. Good job Tahls!

Olivia Palmer: We enjoyed watching Olivia play every week with her high shooting accuracy and ability to play both a holding shooter or create a moving circle, adapting to different teammates she works with. Liv always has a positive attitude and comes to the courts with a smile which we loved.

Holly Schofield: Holly can play both positions in the circle and feeds to her other shooter spectacularly, her quick passes around the circle edge were a great asset to the team. Holly's dedication to the sport with all her other coaching commitments is admirable and we appreciate her finding the time to come play for us.

Kate Phipps - Fairest and Best: As always, we loved Kate in centre who does a fantastic job at setting the pace for the game. Being our most consistent player and having her controlled passes into the circle were a major asset to our team, well done on another great year Kate!

Jessica Cvetkovski: Jess was our super speedy mid court player who filled our WD position most weeks where she was able to get into the heads of the opposition. Jess always comes up to the courts with a positive attitude which lifts the spirits of her teammates. Thank you Jess!

Natasha Cheney: Tash was another new addition to our team this year who amazed us with her passing and ability to play defence as well as attacking positions in the centre court. Her height meant she was often able to get intercepts in the centre third. Awesome work Tash!

Sam Ross: Sam is the most versatile player on our team being able to play shooting, centre court and defence. She does lovely feeds into the circle and her long arms turned over a lot of ball in defence. She kept a great attitude whilst we asked her to play a different position each week, a real team player.

Ashleigh Watene: It was great to see Ash back again for her second year at Beaumaris who enjoyed playing with her teammates and even got the chance to shoot for a few quarters this season. We loved watching Ash's long arms come out of nowhere and snatch up an intercept. Another great season Ash!

Lauren Kershaw: Lauren loved the challenge of having to adapt her game depending on who she was working with. We can count on her to jump for the rebounds and create a trail lead down court. We have loved seeing Lauren's improvement over the past few years and how much she enjoys playing for this club.

Olivia Sheehy: Liv was another one of our lovely tall defenders this year, her height meant she retrieved every rebound from the opposition and quickly transitioned the ball down the court. Her long arms created great pressure over the ball and when the other team are shooting.
